

Directions

From Berlin take train **RE1** or S-Bahn (commuter train) no. S7 to Wannsee, change there to S1 to Potsdam-Hauptbahnhof (Potsdam main train station), or directly take the S1 from Berlin. **Attention!!! We just received the information that from August 25th there are no S-Bahn running between Wannsee and Potsdam-Griebnitzsee - instead rail replacement bus service is offered. Therefore it might be more convenient only to use RE1 (leaving every 1/2 hour at '11 and '41 from Berlin-Hauptbahnhof or '17 and '47 from Berlin-Zoologischer Garten) or use a RegionalExpress always leaving at '15 from Berlin-Hauptbahnhof or '21 from Berlin-Zoo and change to a RegionalBahn in Wannsee.**
